Sub:-Border Districts - Provision of Ambulances.

It is seen from the correspondence received from the Deputy Transport Commissioner, Madras that it will take some months before the required number of ambulances are supplied to the border districts. I have since received a D.O. from Col.Dabholkar wherein he has stated that 8 ambulance cars are required and they should be made ready immediately; one ambulance car should be with each of the Civil Surgeons detailed . He has also suggested that if ambulance cars are not available, buses may be requisitioned and filled up. I endorse the suggestion made by Col.Dabholkar and request that instructions may be issued to District Magistrates of the

Border

ASSISTANT SECRETARY TO GOVERNMENT
10 SEP 1948
HOME DEPARTMENT

From

Sri Rao Sahib V.Hanumanta Rao Nayudu, B.A.,
Provincial Motor Transport Controller,
Chepauk, Madras-5.

To

The Secretary to Government,
Home Department,
Fort St. George,
Madras.

Letter No.16150-A1/48 dated 10-9-48.

Sir,

Sub: MOTOR VEHICLES - ambulances - allotment.

Ref: Memo No.S.C.666-1/48 dated 27-8-1948.

-o-

I invite attention to Memo No.39636-5 D3, P.H. dated 20-7-48 from the Government, Education & Public Health Department a copy of which has been sent to the Home Department. I presume that the 8 Ambulances referred to in the Memo dated 27-8-48 cited above are included in the 12 mentioned in the memo received from the Education and Public Health Department.

2. With reference to the memo from the Education and Public Health Department referred to in para 1, I have already allotted nine 122" WB Ford chasses to the Transport Commissioner for building ambulance bodies and am now allotting two more chasses. The chasses will be taken delivery of by the Works Manager, Government Coach Building Factory in a day.

3. The Works Manager, Government Coach Building Factory has prepared the design for Ambudances and this has been accepted by the Surgeon-General. He has intimated that if the work is started immediately he will be able to deliver 2 ambulances in about a month's time and that thereafter he will deliver at the rate of 2 per week. The Surgeon-General has agreed to the arrangement.

4. The price of the chasses has not been fixed by me. It may be in the region of Rs.5,500/- The provisional cost of building an ambulance body over a chassis has been estimated at Rs.3,500/- by the Works Manager, Government Coach Building Factory, Chromepet.

5. As instructed by me the Assistant Provincial Motor Transport Controller contacted M/s. Addison & Co. and Simpson & Co. regarding the cost and time of delivery of the ambulances, if orders are placed with them. The information furnished by them is given below.

	Cost of constructing each Ambulance body with two stretchers.	Time required for delivery.
M/s.Addison & Co.	Rs. 4,500/-	5 to 6 weeks for delivery of the first two ambulances & 2 thereafter per week.
M/s.Simpson & Co.	Rs.4,500/- plus Rs.97-8-0 per each stretcher	5 to 6 weeks for delivery of all the twelve ambula

I am asking the Works Manager, Government Coabh Building Factory, Chromepet, to commence the work.

Yours faithfully,

for Provincial Motor Transport Controller, Madras.

Copy of letter from Sri R.S.Sundaresan, B.A.B.L., A.I.I.E.P. to the Provl. Motor Transport Controller, Chepauk, Madras.

Re.547/43/C dated 8.11.43.

Ref: Your Endt. No. 13027/A1 dated 5.11.43.

Eleven chasses Ford V8/122" w.b. allotted in Provincial Motor Transport Controller's proceedings No.12414/43-A1 dated 22.8.43 and No.12414/43-A1 dated 10.9.43 were taken delivery from Messrs. George Oakes on payment of Rs.61,491-0-0.

Some materials were acquired and construction was put on hand on one vehicle. Just then instruction was received from the Transport Commissioner not to proceed with the work on other chasses. Later the Joint Secretary to Government, Education and Public Health, informed over the phone that as the work on the one vehicle could not be stopped, we may continue work on the above. He informed that he would ascertain and instruct whether the chasses could be taken over by the mortuary, General Hospital, but ordered no work need be done on others.

Now the ambulance is practically completed, only the stretcher frames and paint work remain. I request that the Surgeon General may be asked whether he would take it for the mortuary or other hospital. I contacted the Manager of the office and he informed that the Provincial Motor Transport Controller or Transport Commissioner may address the Surgeon General in the matter.

Headquarters Hospital, Bellary.
Provision of an ambulance

From the S.G. Memo No. 30041-G d. 19-5-49

The S.G. is requested to explain in greater detail the necessity for the provision of an ambulance for the Headquarters Hospital, Bellary furnishing information on the following points:-

(1) the average number of cases per day and per month which will be required to be transported by the ambulance;

(2) Whether similar ambulances are provided in other T.B. institutions;

(3) whether the provision of an ambulance for the Hd. Qrs. Hl. Bellary

4/50

will lead to significant demands for similar facilities from other institutions. He is also requested to report the cost of the ambulance.

facilities from other institutions. The cost of the ambulance is about Rs.10525/- as reported by the Works Manager, Coach Building Factory, Chrompet.

Yours faithfully,

for Surgeon-General with the Government of Madras.

Special

Summarizing Meli
Draft

Last year in connection with the provision of medical arrangements in the districts bordering Hyderabad, the S.G. said that a number of ambulances would be required by the Med. Dept. Accordingly the Govt. asked the Coach Building Factory at Chromepet to supply the S.G. with the required number of ambulances - eight or twelve. Immediately afterwards the situation in Hyderabad changed and the Govt. told the P.H.T.C. that the ambulances need not be supplied. But as by that time work had been started on a chassis, the Govt. allowed the ambulance to be completed. Subsequently the S.G. enquired that the ambulance might be purchased for the Headquarters Hospital, Bellary to convey patients to and from the Wellesley Sanatorium. He replied that though there were five Service Ambulances at Bellary they could not be used to convey T.B. cases T.B. being an infectious disease, that the Tambaram Sanatorium and the T.B. Hospital, Madras have already Service ambulances like the one asked for, for the Headquarters Hospital, Bellary and that if an ambulance was provided for the Headquarters Hospital Bellary it might be required to convey about 12 cases per day. In the circumstances this department and Fin. agreed to the purchase of

(Ind. to HMS (except P.H. Fin and Ph) Ans. Chief Secy. 24/8/44)

the ambulance for the Headquarters Hospital, Bellary at a cost of Rs. 10525/-. Finance also advised that the proposal was a new service and that the orders of the HOD's (P.H) and (Fin) and the HPR should be obtained in the matter. Accordingly with the approval of the HOD's (P.H.) and (Fin) and the HPR orders are being issued sanctioning the proposal. This note is circulated to the other HOD's and the C.S.

Explanatory Note.

1. The Provincial Welfare Fund offered as a gift to Government eleven x-ray units - three stable units valued at Rs.9332 each and eight portable units valued at Rs.3484 each for distribution among the Government Medical Institutions in the Province. The Government accepted the offer, allotted the units to medical institutions where they were most required and sanctioned the incurring of a recurring expenditure of Rs.32,263 per annum on staff, films, chemicals etc. and a non-recurring expenditure of Rs.52,500 on auxiliary equipment, considered necessary for working the units.

2. The Provincial Welfare Fund also offered a donation of Rs.40,000 which it subsequently reduced to an amount not exceeding Rs.25,000 for the purchase of a high-powere x-ray unit for the Headquarters Hospital, Cuddalore. The Government accepted the offer and sanctioned the opening of an x-ray department in the hospital incurring a recurring expenditure of Rs.17,531 per annum from the provincial funds on staff and equipment.

3. The Surgeon-General proposed that an ambulanc might be purchased for the Headquarters Hospital, Bellary to carry patients to and from the Wellesley Sanatorium, Bellary. He reported that though there was a fire service ambulance at Bellary it could not be used to carry tuberculosis cases, tuberculosis being an infectious disease, that the Tambaram Sanatorium and the Tuberculosis Hospital, Madras were already having ambula like the one asked for, for the Headquarters Hospital, Bellary an that if an ambulance was provided for the Headquarters Hospital, Bellary it might be required to carry about 12 cases per day. Th Government therefore sanctioned the purchase of an ambulance for the Headquarters Hospital, Bellary at a cost not exceeding Rs.10525/-.

4. The Erskine Hospital, Mathurai is now obtaini its supply of ice from the local market, What with the difficulty in conveyance, this has not been found a satisfactory arrangement. Further it is considered that bazaar ice is most dangerous to patients and that an ice plant is essential in any hospital particularly in a big institution like the Erskine pital, Mathurai. The Government have therefore sanctioned th hase of an ice plant for the Erskine Hospital, Mathurai cost of Rs.14,400 and the employment of a driver on Rs.40-1 cleaner on Rs.15-20 to work the plant involving a recurrin

recurring expenditure of Rs.1340/- per annum.

5. All the ~~above~~ four schemes have been treated as on a 'New Service'. As all of them involve expenditure debitable to the head 'other charges', a token sum of Rs.100 has been included under that head in the supplementary estimate. The actual expenditure in the year will be met by reappropriation from ~~and~~ savings with the grant or by obtaining a supplementary estimate in March 1950, if necessary

T.M.S.Mani,
Addl. Secretary to Govt.

It was originally thought that new ambulances would be better than refurbished buses even with alterations & adaptations. The situation on the Hyderabad border is now becoming more & more like the bubble may be pricked any moment. If in the event of an emergency S. & G. can make arrangements for refugees etc with such ambulances as are at present available the arrangement suggested by the P.D.T.C. may be accepted; if not, it is best that buses are refurbished by the Govt Concerned & suitable alterations are made urgently. E & S.H. may Consider. 11.9 E & S.

Forms the P.M.T.C No. 16150 · A1/48 dated 10.9.48

" the S. of J No 62006.6 E1 dated 10.9.48

The fore the letters of the P.M.T.C and the S. of J have been added to the current file.

The arrangement of building 2 ambulances by the first week of October 1948 and two every week thereafter is acceptable if in the event of an emergency the S. of J can make arrangements with such ambulances as are available at present, as suggested by the Home Secretary. If not the D.Ms may arrange for the requisitioning of the required number of buses.

The BoJ wanted 3 ambulances for each of the six border districts. It was considered that twelve ambulances would be

necessary for work in the border Districts. The P.M.T.C. was accordingly asked to take steps to make them available. It is explained that 12 chassis have been allotted to the Works Manager, Govt. Coach Building Factory for building ambulances for use in the medical depts. The cost is estimated at Rs 3500 each, the ambulance body, exclusive of contingencies (about Rs 500).

In his letter at pages 1-2 of the S. has stated that eight ambulances should be made ready immediately for placing them at the disposal of the eight civil surgeons sanctioned for the border districts. The eight ambulances required now by the S. G. may be treated against those to be referred to in para 1a as regards the remaining four. The formal report of the S. G. may be awaited.

A revised draft order is submitted, Public (Reforms) and Finance may see for acceptance.

Fin (Exp B)

Notes from the foot of page 1 above may be perused. The proposal relates to the supply of 12 ambulance vans for medical relief arrangements in the border districts. The cost of 12 vans is estimated roughly at Rs 108,000. The proposal forms part

of the scheme for medical relief arrangements for refugees from Hyderabad sanctioned in G.O.2486 P.H. dated 20-7-48(please see paragraph 7 of the G.O.). The proposal may be agreed to in Finance subject to the following remarks:-

(i) Financial procedure: The expenditure on the supply of Ambulance exceeds Rs.10,000 non-recurring and should therefore be treated as on a "new Service"; and ~~as it exceeds Rs. 20,000 non-recurring reference to the S.F.C. and the Cabinet is ordinarilly necessary~~. Orders sanctioning the staff etc. required for medical relief were issued after circulating the case to H.M.(P.H), H.M(Fin) & H.Pr..and no summarising note seems to have been circulated to other H.Ms, who have not seen the case before issue of orders. In view of the extreme urgency of the matter, the procedure prescribed in section II (iii) of the Finance U.O.note No.26978(A) BG-4 dated 21-12-47 may be followed in respect of the expenditure now proposed to be incurred, (i.e.,orders may be issued after circulating the case to H.M.(P.H), H.M.(Fin) and H.Pr.). The entire scheme, (namely, staff, etc. sanctioned in G.O.2486 P.H. dated 20-7-48 and the supply of ambulance proposed in this case) may be treated as a single scheme and a consolidated note may be circulated to other H.Ms who have not seen the case before issue of orders, to the Chief Secy. and to the Fin.Deptt. Action should also be taken to obtain a supplementary grant for a token sum from the Legislature at the earliest opportunity for the entire scheme after the issue of orders.

(ii) Recovery from the Govt.of India. The cost of ambulance vans and their working expenses should be included in the statement of expenditure on Hyderabad refugees to be forwarded to the Govt.of India. The draft order may be modified as indicated in pencil.

Subject to the above remarks, the draft may be accepted and the case returned to E & P.H.

(Last seen in Finance on page 8 above).

The orders in circulation on page 9 above and the further notes of E.H.H. may be perused.

2. It is stated that the P.M.T.C has started work on one of the 8 ambulances asked for by the S.G. E.P.H. now proposes to ask the P.M.T.C whether he could discontinue the work without loss to Govt., and if he cannot, he may go ahead with it and hand it over to the S.G. As it is stated that many ambulances will be required in the Medical Deptt., Finance may agree that the work on the ambulance already started may be proceeded with, if stoppage of the work will mean loss to Govt.; but the proposal to allot the ambulance to the Medical Dept. will require further orders in circulation, in view of the previous orders. This Dept. may, therefore, suggest that, after hearing from the P.M.T.C, further action may be taken in the matter, in consultation with the S.G., if necessary.

Fin (E & U B) Dept

(Previous Fin note on p 10 ante)

Further notes on pp 11–13 ante may be perused. The S.G. has proposed that the van may be purchased for the Headquarters Hospital, Bellary for the transport of Tuberculosis patients from the Wellesley Tuberculosis Sanatorium to the Headquarters Hospital or to the Railway Station. Before agreeing to the proposal Govt. may obtain information as to whether the average number of tuberculosis patients transported in Bellary per day and also whether motor ambulances are provided in other Tuberculosis institutions and examine whether the number 3 has been arrived at in their case and what time will be saved in the transport of 3 patients in the van.

Fin (E/B) Dept.

(Previous Fin. note on f 13 above)

With reference to the information called for by this dept. on f 13 above the particulars furnished by the S.G. on pp 5-1 & 5-2 cf may be perused.

2/ In the circumstances stated by the S.G. this Dept may agree to the purchase of an ambulance at a cost of about Rs. 10525 for the Headquarters Hospital, Bellary subject to the following remark.

As the cost of the ambulance exceeds Rs. 10,000 the proposal constitutes a 'new service'. The case should be circulated to H-II(P.H) H-II Fin and H.B. Sec. H. may be requested to follow the procedure indicated in para 2 (A) of Fin Memo No. 41910 B-G-2 dt 30.6.49 and obtain a supplementary grant from the Legislature in due course.

E & P.H.

Edn.&.P.H.(D2) Deptt.

Last year in connection with the provision of medical relief arrangements in the districts bordering Hyderabad, the Surgeon-General said that a number of ambulances would be required by the Medical Department. ~~According to it, the Government asked the~~

Fin 47993 dt 1 22.7.49

ASSISTANT SECRETARY TO GOVERNMENT 47993 dt 21 JUL 1949 FINANCE DEPARTMENT

ASST. SECRETARY TO GOVT. EDUCATION AND PUBLIC HEALTH DEPT. 5678 25 JUL 1949

Accordingly the Government asked the Coach Building Factor at Chromepet to supply the Surgeon-General with the require number of ambulances eight or twelve. Immediately afterwar the situation in Hyderabad changed and the Government told the P.M.T.C. that the ambulances need not be supplied. But as by that time work had been started on a chasis the Govt. allowed the ambulance to be completed. The proposal dealt with in this file relates to the disposal of this ambulance.

2. The Surgeon-General proposes that the ambulance should be purchased for the Headquarters Hospital, Bellary to carry patients to and from the Wellesley Sanatorium. The number of patients required to be carried by the ambulance in a day is expected to be about 12. The S.G. reports that though there is a Fire Service Ambulance at Bellary it cannot be used for this purpose since T.B. is an ~~contagious~~ infectious disease. He also reports that the Tambaram Sanatorium and the T.B. Hospital, Madras have already an ambulance like the one asked for, for the Headquarters Hospital, Bellary. This Deptt. and the Finance agree to the purchase of the ambulance for the H.Q. Hospital, Bellary, at a cost of Rs.10,525/- Finance also advise that the proposal is a new service and that the orders of the H.Ms. (P.H.) and (Fin.) and the H.Pr. should be taken in the matter. The file may accordingly be circulated for orders whether the proposal to purchase an ambulance for the Headquarters Hospital, Bellary at a cost of Rs.10,525/- m be approved. (After orders in circulation, a summarising note will be put up for circulation to other H.Ms.)
